General and Revenue Secretariat | and File No 126 of 1928

Serial No	
9	Memo no Ex- N-6491/28 29 dated 15 6 1929 from the Deputy Commr Bangalore District forwarding letter no A 321-900/27-28 dated 11/13th June 1929 of the President DBB Bangalore requesting for a reconsideration of the orders passed in regard to the payment of Rs 8000/- by the DBB towards the construction of the town Hall building at Channapatna
Q	1 The President DBB was asked in this office letter no L 3692 MH 26-28-4 dt 20/11/28 to place the District Fund share of the cost of work at the disposal of the Chief Engr immediately and submit a report as to the action for the information of Government
I	2 Afterwards the President sought orders on the resolution of the DBB to contribute Rs 20000/- for the purpose, whereupon his attention was drawn to the GO of April 1928 fixing the sum of Rs 8000 as quota payable by the DBB and he was asked to arrange to place half the amount at the disposal of the Chief Engr at once and the balance next year
S	3 The President again wants a reconsideration of the orders already passed The contention of the DBB is that no contribution should be paid to a building which is to be built in a municipal town as the rural public can derive little or no benefit out of this Submitted for orders BS 12/7/29 5) It cannot be said that the rural population do not & will not derive any benefit from this Hall to which the DBB proposes to contribute In reference to Minute

SIR

Payment of contribution to the Town Hall at Channapatna

===

Deputy Commissioner
Bangalore District

With reference to your letter No L 2725/A1 196-28-8 dated 2nd May 1929 forwarding copy of letter No L 4099/A1 196-28-6 dated 14th December 1928, I have the honor to inform that the District Board after considering all aspects of the case have resolved to pay Rs 8,000/- for the purpose The facts of the case and the difficulty for the payment of Rs 8,000/- is explained in my letter No A321-908/07-08 dated 11th October 1928 The Board were of opinion that no contribution should be paid to a building which is to be built in a Municipal Town as the rural public can derive little or no benefit out of this But after great inducement they resolved to contribute Rs 8,000/- as the Taluk Board had agreed to pay this amount during their tenure The present state of finances of the Board cannot admit of making such a heavy grant for a building in a Municipal Town as they have not to finance for various other activities in rural parts

2 In the above circumstances I request you to be good enough to move Government to very kindly reconsider
